

Stay & Play: Booking Extras for Family-Friendly Properties

Inspired by those classic holiday moans every parent knows too well, this guide is packed with creative ideas to keep the little ones happy and busy. From **"I'm boooooored"** to **"Are we there yet?"**, we've got solutions that will make your property the go-to family-friendly spot.

Dive in and discover how you can offer unforgettable experiences for families, make your property stand out from the crowd, and generate extra income—all with a little help from SuperControl. Let's make those family holidays magical and stress-free.

"I'm boooooored...!"

Board Games in Your Property: Provide a variety of classic and new board games in your property to keep kids entertained.

Outdoor Adventure Kits: Offer rentable outdoor adventure kits with items like binoculars, magnifying glasses, and bug-catching tools for exciting nature explorations.

Local Attraction Collaborations: Partner with local attractions to offer discounted or free tickets for families.

"Are we nearly there yet?!"

Map of Landmarks to Destination When Booking: Send out a map highlighting fun stops and landmarks on the way to your property.

Treasure Hunt Kit: Create a treasure hunt adventure with clues and small treasures hidden around your property.

Collaborations with Local Taxi/Bus/Bike Tours: Offer easy access to local tours to explore the area without hassle.

"I'm hungry!"

Grocery Delivery Service: Suggest parents arrange an online grocery delivery to be unpacked and waiting for them when they arrive at your property.

BBQ Packs: Offer BBQ packs with all the essentials for a family barbecue.

Baking Boxes: Offer baking boxes with ingredients and recipes for fun family baking sessions.

Collaborations with Local Produce Providers: Partner with local farms and producers to create hampers filled with fresh, local produce delivered to your guests.

More Extras for a Perfect Stay:

Emergency Box for Little Ones: Include essentials like nappies, wipes, cream, spare toothbrush and toothpaste.

Device Lock Box: Provide a device lock box to help parents encourage kids to take a break from screens.

Grocery Delivery Service: Suggest parents arrange an online grocery delivery to be unpacked and waiting for them, adding a few surprise extras to bring a smile.

Baby Equipment to Borrow: Provide baby baths, pushchairs, carriers, plug socket covers, and blackout blinds in nurseries and kids' rooms.
